

Painting with Toddlers

Tips to reduce mess:

1. Paint in old clothes, or no clothes!
2. Add a squirt of dish soap in the paint for an easier clean up.
3. Tape down your paper to keep it secure.
4. Put your toddler in their high chair (with straps on) to contain the mess.
5. Use an old shower curtain/tablecloth/towel to protect the floor.
6. Have wipes, a wet wash cloth and a towel ready to clean your toddler!
7. When the art work is dry, display it with pride!
